Special application for Matriculation may be dealt with by the Senate.

REGISTRATION

Every student shall, in each year of his course, register his name with the Secretary of the Faculty of Music not later than the first of November.

By order of the Board of Governors, every candidate for admission must submit a certificate of successful vaccination with his or her application, or agree to submit such certificate within ten days after the opening of the session. Dr. Porter and Dr. Edith Gordon of the University Health Services will arrange for the vaccination of those who so desire.

After the first of November registration can be effected only by petition to the Faculty and on payment of a fine of One Dollar a month for each month after October.

UNDERGRADUATE COURSE

In addition to Matriculation the candidate must have passed three examinations before the degree of Bachelor of Music shall be granted.

FIRST YEAR

1. Harmony in three and four parts.

2. Counterpoint in two and three parts. No three part counterpoint with combined species will be required, but candidates will be required to add one part to a Canto Fermo in the fifth species, and to write double counterpoint at the 15th.

3. The History of Music from the rise of the Netherland School to the death of Bach and Handel, and excluding composers who died at a later date.

4. A *viva voce* examination at which the candidate will be asked questions of a general nature, and covering in particular a knowledge of the following scores:

BACH: Preludes and Fugues, Nos. 5 and 14, from Book II "Well Tempered Clavier"

PURCELL: Ode for St. Cecilia's Day (Vocal Score, Novello)

WEEKES: "What have the Gods" and "Methinks I hear" ("Euterpe" Series, Nos. 57 and 58, Oxford University Press)

A candidate holding the diploma of Associateship of the Toronto Conservatory of Music will be admitted *ad eundem statum* to the second year, provided he or she shall have passed the necessary theoretical examinations, including the Intermediate Counterpoint of the Toronto Conservatory of Music.

SECOND YEAR

1. Harmony in not more than four parts, including simple part-writing for voices and for string quartet.

2. Counterpoint—strict and free in not more than four parts. Free counterpoint will include simple contrapuntal treatment of a given hymn-tune.

3. Double Counterpoint at the octave, 10th, 12th and 15th. Canon in two parts at the octave, with an independent part. Fugal exposition in not more than four parts to be written on a given subject.

4. The History of Music subsequent to the time of Bach and Handel, including composers whose deaths occurred at a date later than 1760.

5. Musical Form as far as the simple forms and analysis of the musical sentence. Candidates may be required to extend a given phrase to form a complete sentence.

6. A *viva voce* examination at which the candidate will be asked questions of a general nature, and covering in particular a knowledge of the following scores:

CHOPIN: Fantasia in F minor

MOZART: String Quartet in D minor—K. 421 (Eulenberg Miniature Score 32)

PARRY: Job (Vocal Score, Novello)

FINAL YEAR

1. Harmony in not more than five parts, including some original work.
2. Counterpoint, strict and free, in not more than five parts.
3. A fugue in not more than four parts for strings or voices, to be written in the examination room.
4. A general survey of the History of Music from the earliest times to the present day. Candidates will be required to study Grove's "Beethoven and his nine Symphonies", and at the annual examination to write an essay based on some subject, specified by the examiners, and dealt with in this book.

Students are recommended also to study H. C. Colles' "The Growth of Music" and as many as possible of the scores listed therein; also Lavignac's "Music and Musicians." (See also list on page 13).

5. Musical Form.

6. Orchestration.

7. A *viva voce* examination at which the candidate will be asked questions of a general nature, and in particular required:

(a) To show a critical and analytical knowledge of the following scores:

BRAHMS: Symphony No. 3 in F (Miniature Score)

SCHUMANN: Carnival Prank from Vienna, Op. 26

WALTON: Overture: "Portsmouth Point" (Miniature Score, Oxford University Press)

(b) To play any one of the preludes and fugues from Bach's "Wohltemperirtes Klavier."

(c) To transpose a simple piece at sight.

(d) To read at sight from a full score of a date not later than Mendelssohn.

(e) To modulate at the keyboard.

Tests equivalent to (b), (c) and (d) will be arranged for singers or players upon orchestral instruments.

8. Each candidate shall submit an original composition of a length sufficient to occupy not less than fifteen minutes in performance. This may be *either*:

- (a) A work for Chorus and String Orchestra (to which the candidate may, at his own option, add wind instruments) containing a substantial proportion of contrapuntal writing, and some writing for solo voice or voices; *or*:
- (b) A string quartet in three movements, at least one of which shall be written in Sonata form.

The work must exhibit structural independence and artistic interest and will not be regarded as sufficient solely on the ground that it is free from technical errors.

An exercise that has once been submitted and rejected may not be submitted a second time in amended form unless the Faculty shall have expressly permitted the incorporation, in a new exercise, of a portion of a previous one.

8. (c) In lieu of the above composition, candidates may present a thesis of not more than five thousand words on some subject connected with musical history or criticism, the subject to be submitted to and approved by the Faculty of Music at the beginning of the academic year.

In awarding marks for this thesis the examiners will require that it show not only accuracy of statement but some literary style.

The composition or thesis must be sent to the Secretary of the Faculty not later than the first of April, accompanied by a declaration that it is the candidate's own unaided work.

Candidates for the degree may defer presenting this composition or thesis until a subsequent annual examination, in which case the fee for the examination shall be ten dollars (\$10.00).

The Senate may admit *ad eundem statum* undergraduates of other Universities after due inquiry as to the requirements demanded by the institutions in which the candidates obtained their standing.

EXAMINATIONS

The examinations will take place in Toronto at times to be fixed by the Senate.

Supplemental examinations will not be provided for candidates who are starred in subjects of the third year.

No supplemental examination will be allowed to a candidate in any year after a period of three years from the date that he or she obtained standing in that year. Similarly, the exercise must be submitted within three years from the date that a candidate obtains standing in the third year.

Applications accompanied by the proper fee must be transmitted to the Secretary of the Faculty before the fifteenth of March. (Cheques should be made payable to the University of Toronto.)

The total number of marks necessary to pass on any subject is 60; second class honours, 70; first class honours, 80; maximum, 100.
